

## **Jared Gibson's Content Strategy**

### **Target Audience**

#### **Primary Audience:**

- CEOs, CTOs, and Co-founders of startup tech companies
- B2B SaaS-based companies aiming to scale their enterprises
- Project managers and digital leaders
- HR and IT professionals

#### **Secondary Audience:**

- Influencers and brand ambassadors of tech companies
- Partners or third parties of tech companies
- Procurement officers in B2B companies

#### **Objectives of the Content :**

- Increase Brand Awareness: Position Jared as an IT outsourcing leader.
- Educate the Market: Providing valuable knowledge about digital transformation and marketing for B2B professionals.
- Generate Leads: Attract customers through valuable content.
- Build Community: Communicate with tech industry professionals to build a supportive and knowledge-sharing environment.

#### **Content Pillars (Ideas):**

- Improving Innovations in IT Outsourcing with Outworks: Demonstrate how Outworks provides the best IT services and flexible IT outsourcing.
- Industry Insights and Latest Trends: Discuss the latest information on IT outsourcing, the software industry, and B2B digital platforms.
- Client Success Stories and Case Studies: Showcase real-world client success stories and complex software developments accomplished through Outworks.
- Jared's Entrepreneurial Journey and Personal Expertise: Share Jared's personal entrepreneurship story and how he founded Outworks.

#### **Content Types:**

- Text Posts: Informative and educational content related to the software industry.
- Carousels: Multi-slide posts for detailed breakdown.
- Infographics: Visuals, tables, and statistics.
- Videos: Interviews with Jared, client feedback, and behind-the-scenes of Outworks projects.
- Case Studies: Detailed stories of client challenges and how they resolved them through Outworks.

#### **Content Plan Overview:**

- Posting Frequency: 8-12 posts per month (2-3 posts per week).
- Content Types: Articles, Infographics, Videos, Polls, Case Studies, and Success Stories.
- Objectives: Increase brand awareness, demonstrate through leadership, engage with the target audience, and generate leads.
- 

#### **Content Breakdown (Ideas):**

->Personal Build Trust

->Top of Funnel (ToFu)-Create awareness

->Middle of Funnel (MoFu)-Already shown interest

->Bottom of Funnel (BoFu)-Client Stories

### **Personal-Build Trust:**
